WASHINGTON RIFLE CLUB.—The anniversary meeting of this fine organization takes place this evening at their hall. An election for officers and other important business will be

SHINNY ON YOUR OWN SIDE !- The supporters of Congressman DeLarge indignantly declare that C. W. Buttz, who has been arrested in Washington for licentious conduct, is not the attorney of DeLarge, but is now and has been for some time past engaged in Washington as the attorney of Representative Bowen.

THE ST. JOSEPH'S LATIN SOCIETY Will assemble at half-past eight o'clock this morning, at Hibernian Hall, and proceed to attend High Mass at St. Peter's church. In the evening the Society will elect its officers for the ensuing year, and partake of supper at Hibernian

THE LEE SOCIAL CLUB .- A number of our young business men have just formed a social club under the above name. They have furnished a suite of neat rooms at the corner of King and Liberty streets, where the files of the newspapers and other attractions are provided. The club, which has as yet but a small membership, but managed, as it is, with tact and judgment, bids fair to increase and

A BUS ON THREE WHEELS .- Yesterday afternoon while an omnibus, returning from the Savannah and Charleston Railroad depot, was passing through Hasel street, filled with passengers, the right hind wheel flew off and rolled to the sidewalk. The shouts of the insiders admonished the driver that something was wrong, and he quickly reined up. The passengers got out with amazing alacrity, and even the ladies did not wait to be helped out, The bus was soon fixed, but the passengers preferred to walk the short distance to the

PAINFUL ACCIDENT .- Yesterday morning Mr. J. J. Bearley, the well known keeper of the Maconic Hall, fell from the second story plazza of the building in the rear of Messrs. S. R. Marshall & Co.'s hardware store, corner King and Society streets, and was badly hurt. He was moving a table along the plazza when the railing on the edge, against which he was leaning, gave way, and he fell upon the bricks beneath, a distance of some fifteen feet. He was for a time unconscious, but revived, and was borne to his residence in Society street, near Meeting. His bruises are of little moment, but it is feared that he has received internal injuries of a more serious nature. At last accounts he was doing well.

CLUBS AND STARS .- Daniel Green, a little colored boy with one arm, arrested for breaking a street-lamp with a brickbat, was dismissed upon showing that it was an accident. Edward Wright, arrested for being drunk and raising a disturbance on East Bay, near Laurens street, was fined two dollars, with an Dress Goods. Also the fine assortment of new alternative of ten days in the House of Cor-

Two sailors, who got drunk, quarrelled and fought it out at the corner of East Bay and Market streets, were arrested, and visited each with a similar sentence. Both paid up. A goat found astray in Broad street and a cow wandering on the Battery, each cost their

owners one dollar to recover them. Kit Butler and John McGinnis, colored, arrested on the charge of stealing cotton from the Ann-street Depot of the South Carolina Railroad, were brought before Trial Justice Lovett for trial. Kit pleaded guilty, and was sentenced to pay a fine of one dollar and costs, or go to jail for fliteen days. He paid up. McGinnis was not prosecuted.

LATER ACCOUNTS OF THE FIRE IN STION .-- In the report of the Union fire, published in Monday's News, some inaccuracles occurred, and some losses were omitted. The report that a child was burned is not true. No life was lost. There is no doubt whatever now that the fire was the work of an incendiary. The authorities of the town investigated the matter the next day, and will make a report. It is said that few colored men were to be seen, and even these did not show their usual alacrity to work at the fire. The M. sonic lodge room was over A. H. Foster's store. Mr. W. A. Nicholson saved the charter, and other persons saved some of the working jewels, but all the furniture was either broken in removing or was burned. Too much praise cannot be given to Captain French, commandant of the post, Lieutenant McDougal, and the United States soldiers under their command for their prompt and valuable aid in checking the flames. The captain, as soon as he was informed of the fire, immediately had the alarm sounded, and, without stopping to dress, rode around the camp and called the men up. He then "doubled-quicked" the men to townabout a mile distant-and they all labored hard to subdue the flames until the fire was stopped.
